## Haka

### 2020 Haka

Pinot Noir - 0.75L

#### SHORT DESCRIPTION

*Light ruby red. Cherry spice bouquet. On the palate this Haka is smooth, cherry and strawberry, smooth tannins and soft acidity.*

#### Climate:

Late Spring frosts or early Autumn frosts. Over the summer period the days are warm (25-30C) without being overly hot, and in the evening the temperature drops considerably.

#### Soil:

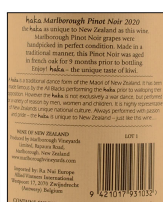

The Wairau is blessed with free draining gravel and silt, with natural low vigour.

#### Vinification:

Grapes were picked in the cool of the night. Immediately transferred to the winery, all grapes were immediately pressed into stainless steel tanks. The juice was then cold settled for 24 hours, clear juice was transferred off gross lees then an aromatic strain of yeast was added. A long slow fermentation then took place, followed by a period on fine lees prior to blending, filtering and bottling.

#### HAKA

Haka is the entry-level brand from Ra Nui Wines. Ra Nui Wines is dedicated to producing premium hand crafted wine from uniquely favoured vineyards within the Marlborough region. The winery is located in the Marlborough wine region, on the northeast side of South Island, an area well known for its excellent Sauvignon Blancs. At Ra Nui they believe that "the wine is in the grape", therefore, they focus primarily on the vineyard, and in particular the grape. All grapes are hand picked, with a second manual selection once in the winery. Only the best grapes are eligible for their wines. The winery is member of 'Sustainable Wine - growing New Zealand', an organization which promotes environmentally focused vineyard practices.
